

## **IMPORTANT INSTRUCTIONS**

The online test that you are about to write has 2 parts:

## Part 1: Online only

The questions in this section must be completed online. Please do not use your worksheet for this part of the test.

## Part 2: Worksheet only

In this section, you are required to answer the questions on the paper worksheets that were provided to you.

- 1. Please write the **Worksheet Question ID** for *each question* in the worksheet. The Question ID can be found on Moodle at the <u>start of each question</u>. Example: W-**1365**
- 2. The response boxes in the worksheets should provide enough space for your written work. Please write clearly.
- 3. Once the test is finished, submit your worksheet to your teacher. Do not take the worksheet home.

For independent students or students taking the test through video proctoring:

- Once you have completed the test, please immediately scan your worksheet pages using a phone scanner app (i.e. Office Lens). This will create a PDF file of each test page.
- Upload your PDF files onto Moodle under \*UT: Unit Test Part B [Submission]. This submission module is found underneath your test page module.
