

ESLCO Unit Test A – Response Sheet

Course: ESLCO

Unit Test A

Student Name:

Be sure to check your work before submitting your test. Do not leave any questions blank.

Each question will be graded according to the achievement chart.

K – Knowledge and Understanding (This category measures how much you know about a topic and your vocabulary.)

T – Thinking (This category measures how you use information when answering a question. Are you thinking about the question, planning your response and giving answers from many different perspectives?)

C – Communication (This category measures how you communicate your ideas, both orally and in writing. Do you use proper grammar and writing conventions?)

A – Application (This category measures your ability to apply what you have learned in this course to your own life and in other new situations. It also includes your ability to relate to knowledge from sources outside the course.)

Follow the grading system when answering questions. For example, if a question is worth two marks, you will be required to have at least two points.

Write in full sentences where necessary and explain your ideas with as much information as you can.
