Today my Mum and I went to the pet shop to buy a new puppy.

When we got there everything was mixed up.

The kitten was in the mouse house.

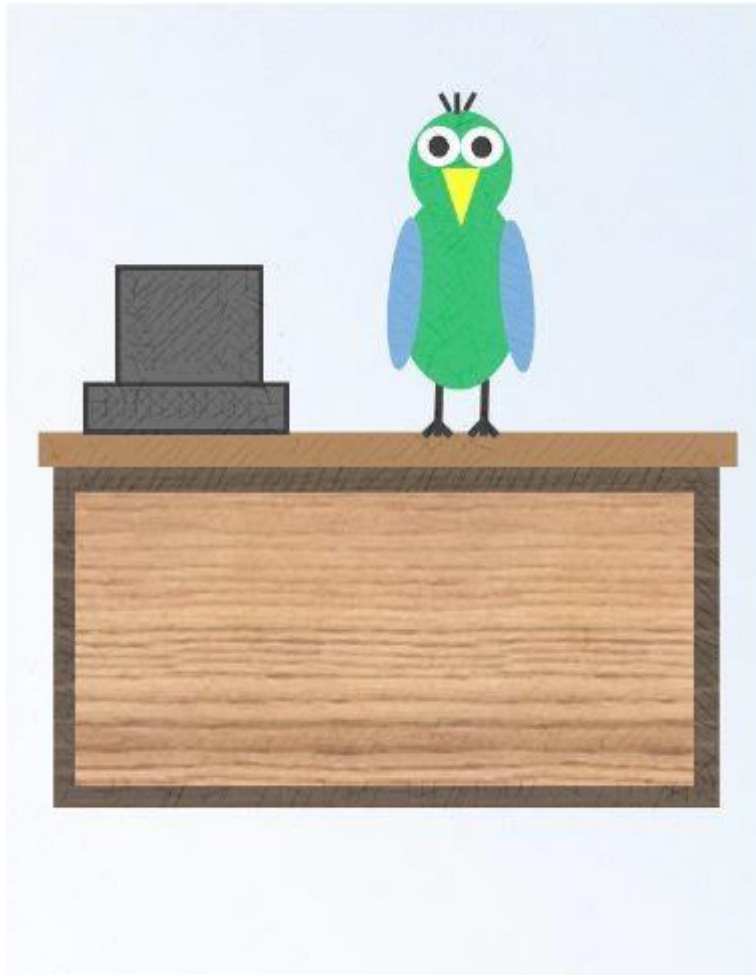

The mouse was in the fish bowl.

The fish was in the puppy box.

The puppy was in the bird cage.

The bird was behind the counter.

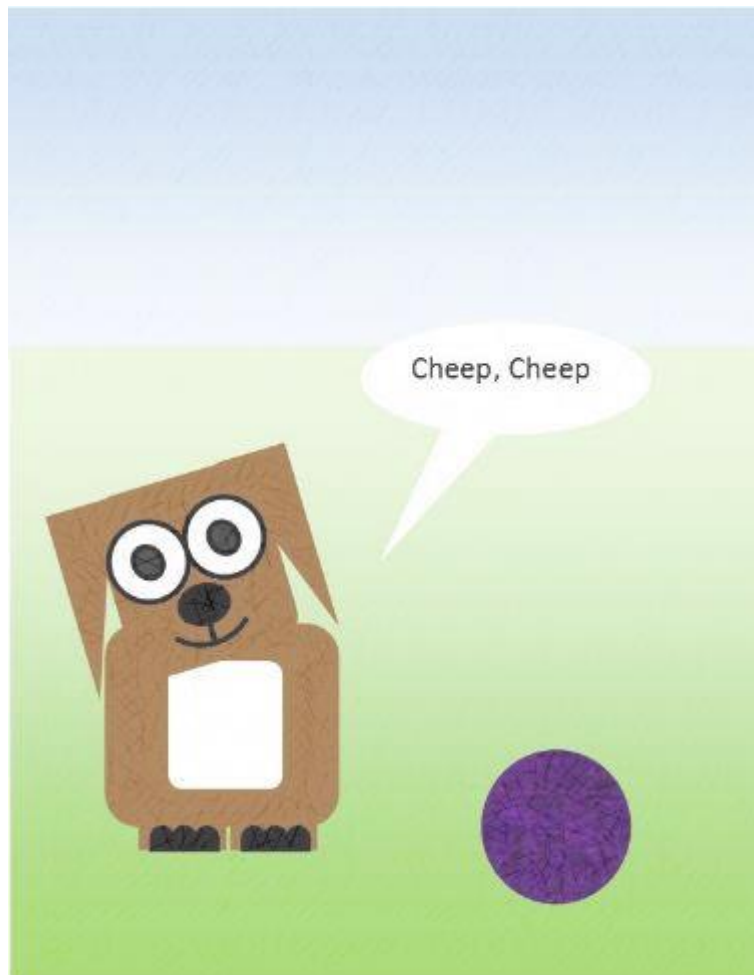

The shop keeper ran to the door, crying,
“Help me”!

So we did. We put all the animals back where they belonged and then we bought our new puppy.

At home we played outside with our new puppy and
guess what he said...

“Cheep! Cheep!”

Thank you for reading my book. If you enjoyed it, won't you please take a moment to leave me a review at your favourite retailer?
