

# Lesson 10

Let's Learn About Pets!

What will we do  
today?

Learn:

- Phonics – WH
- can/can't
- Opposites

Let's talk about  
opposites!

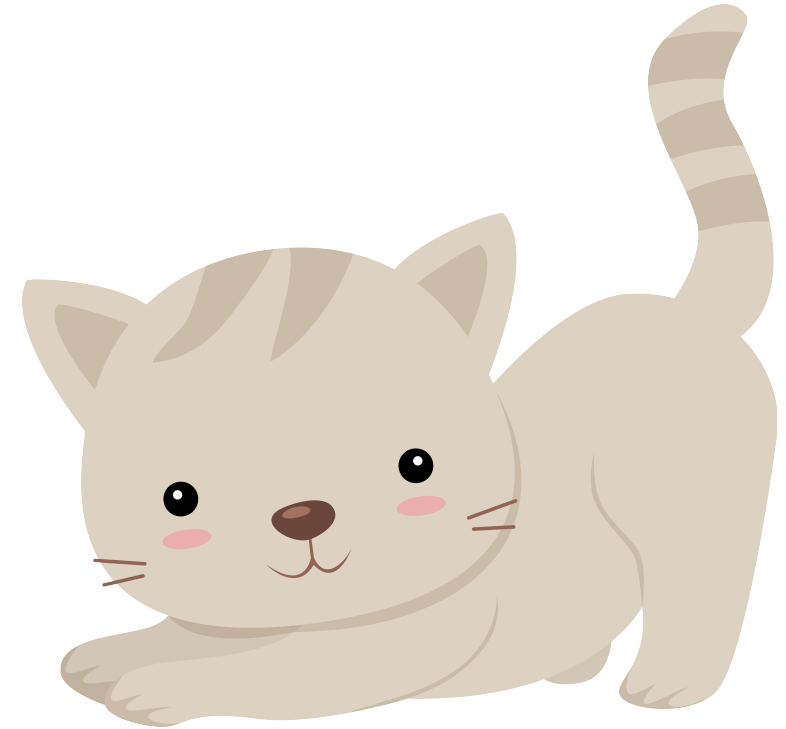

The rabbit runs **quickly**.

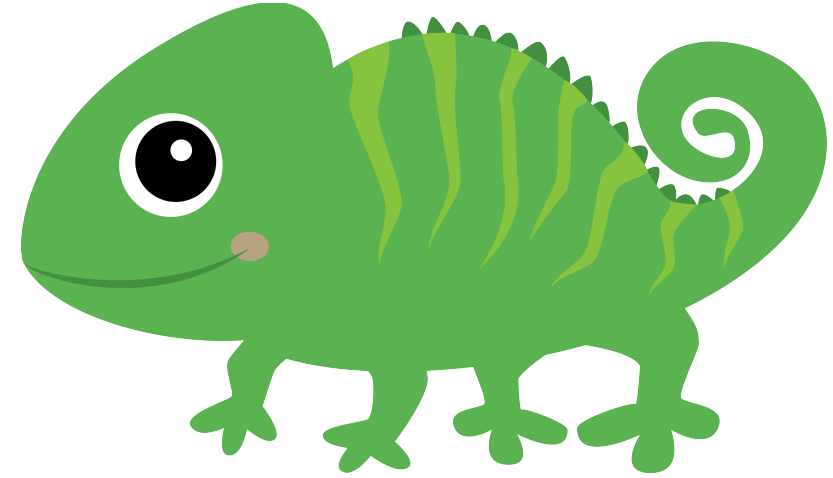

The turtle walks **slowly**.

The bird squawks **loudly**.

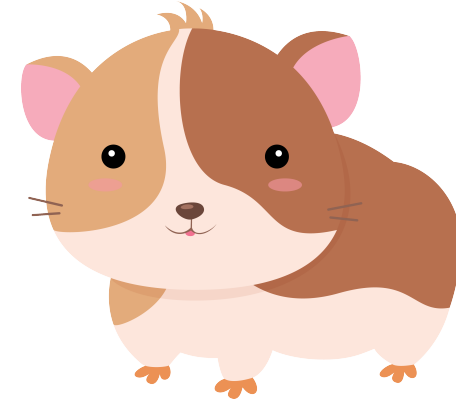

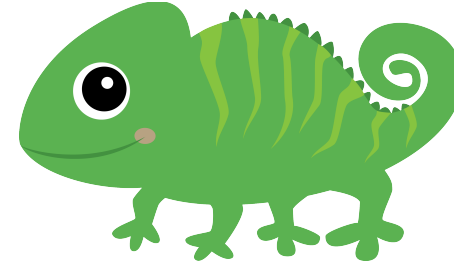

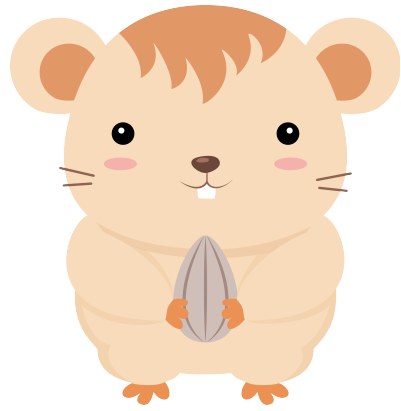

The cat purrs **quietly**.

The fish is on the **left**.

The lizard is on the **right**.

1. Let's think about  
phonics!

| \_\_\_\_\_

\_\_\_\_\_ can't play  
basketball.

Who can play  
basketball?

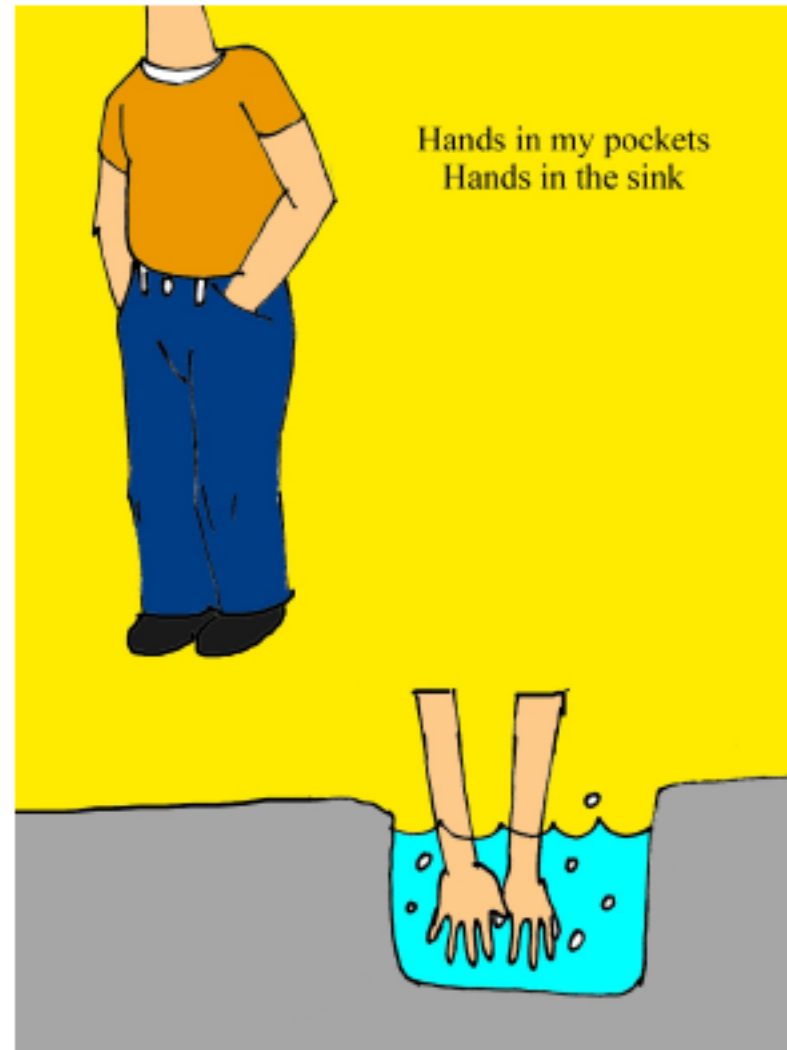

### 3. Opposites

Let's read a story!

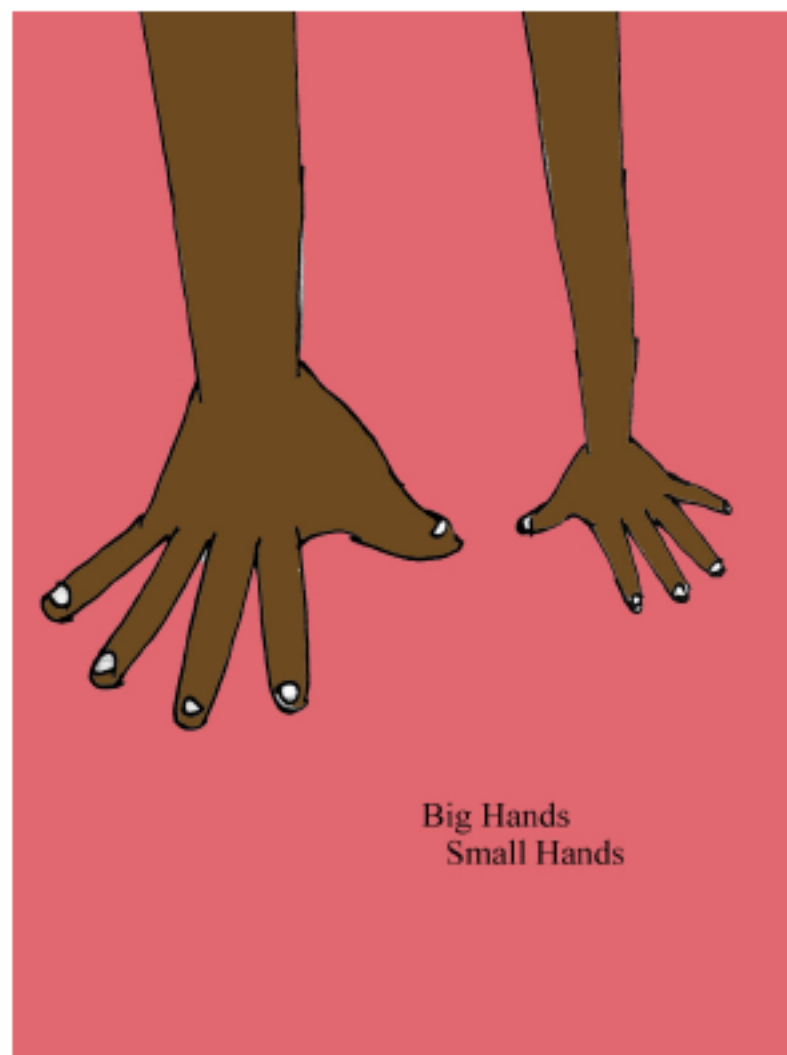

Just so that everyone here understands  
This is a book all about hands

Hands in my pockets  
Hands in the sink

Short Hands  
Tall Hands

Hands that can write  
Hands that can fight

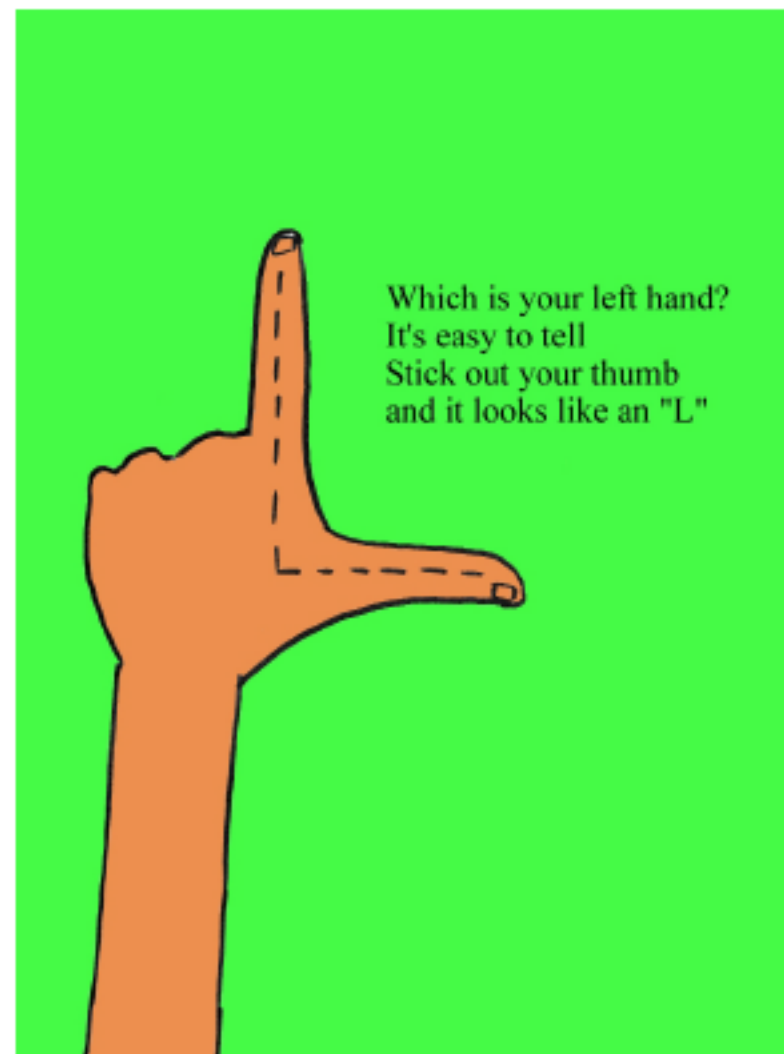

Hands that point the way

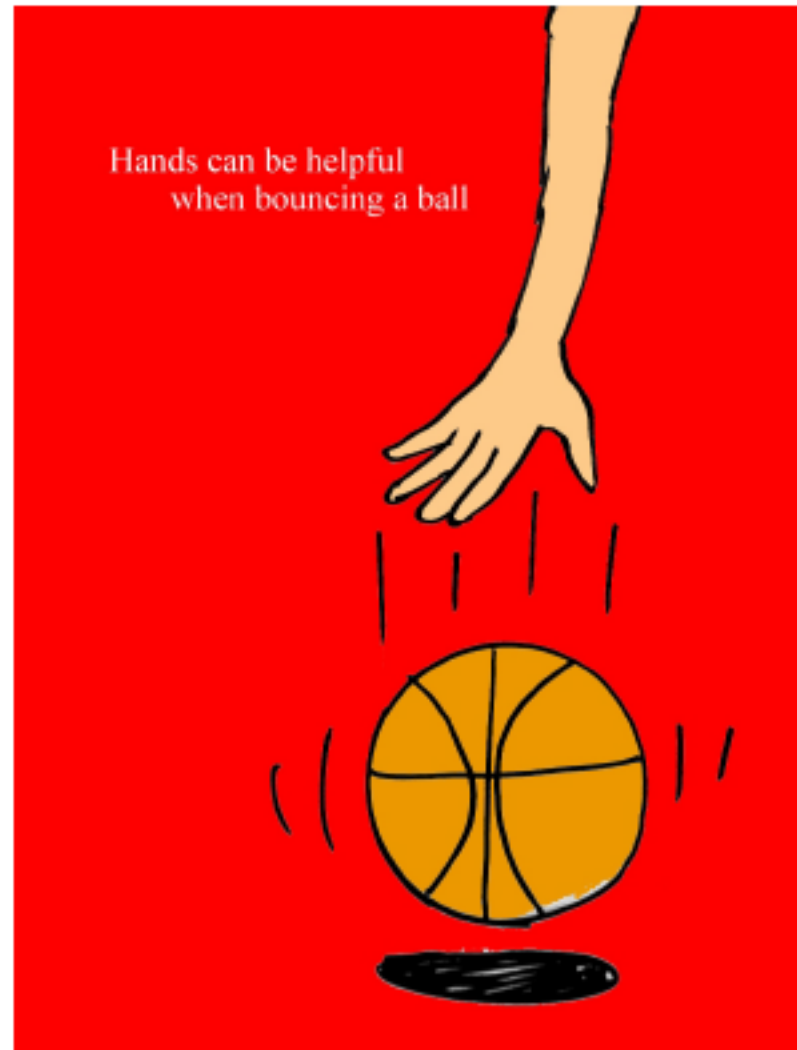

Hands that tell you to stay

Hands that wear rings  
Hands that wear things

I once saw a hand just as big as a whale  
That escaped the parade and started to sail

This man used his hand to whistle real loud  
To get the attention of the whole crowd

How many hands does it take to make pie?  
Two are enough, I wouldn't lie

The twenty four arms of Mister McDennis  
Had two dozen hands to help him play tennis

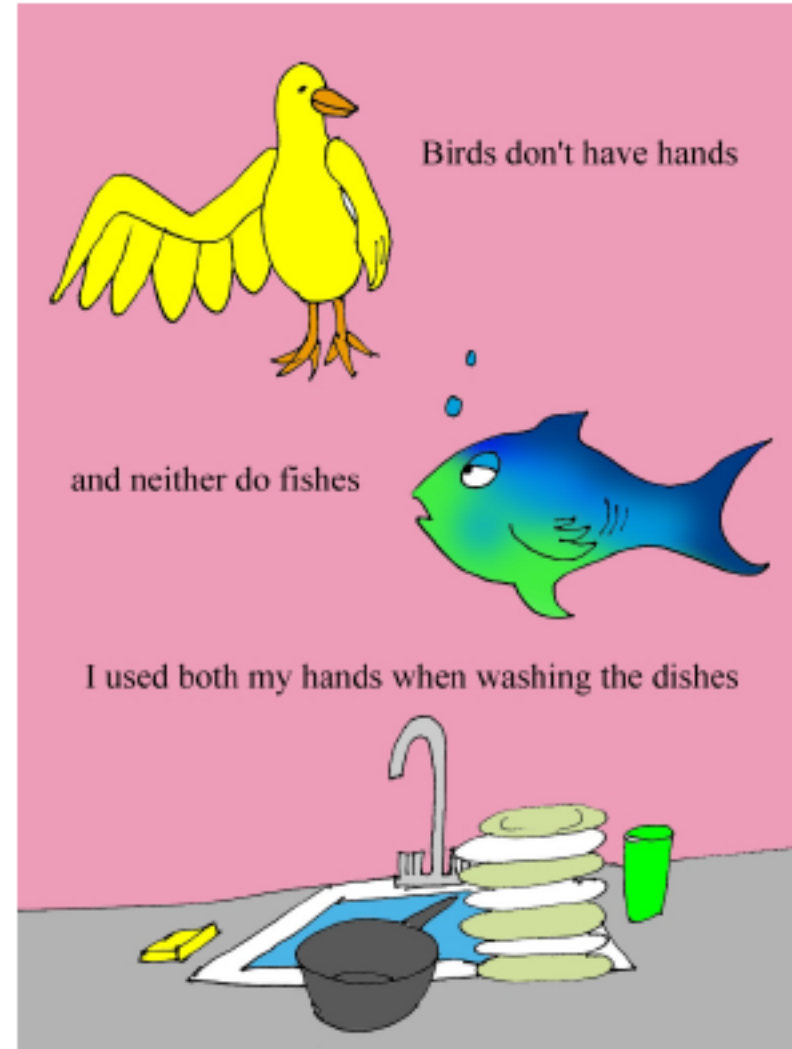

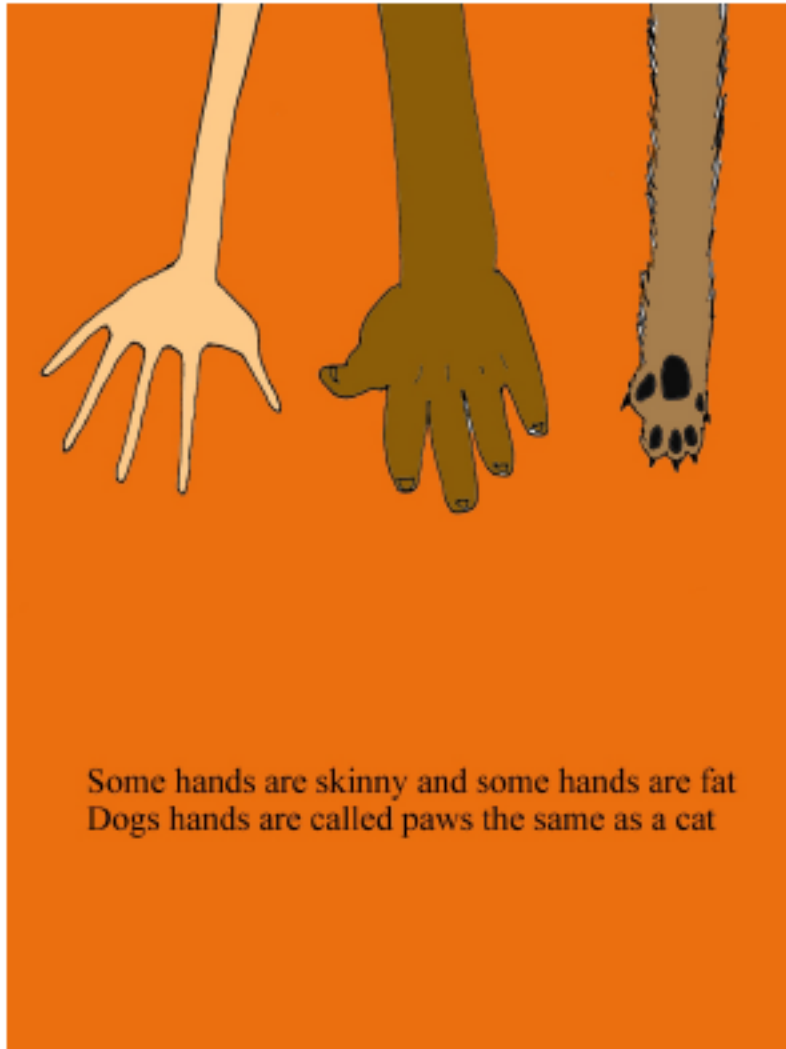

It helps to have hands to play in the band  
But if you're a singer then you can just stand

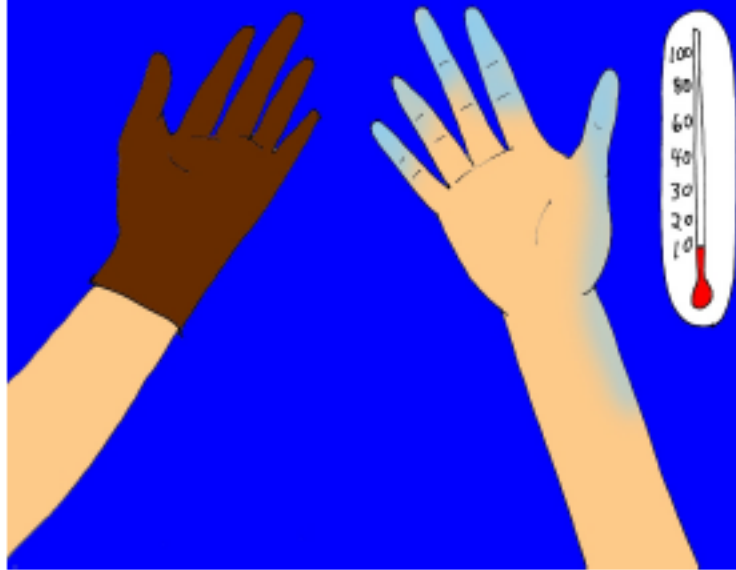

Most hands have knuckles  
and hands can make signs  
Hands can have wrinkles  
and some hands have lines

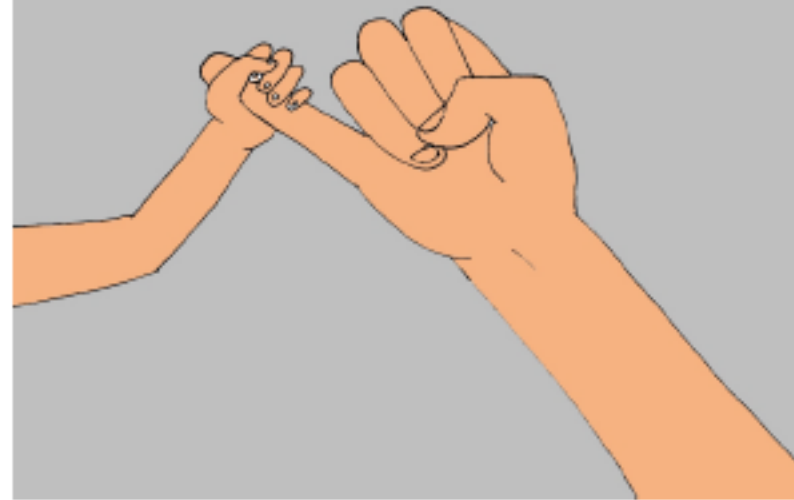

Hands can be warm  
Hands can be cold

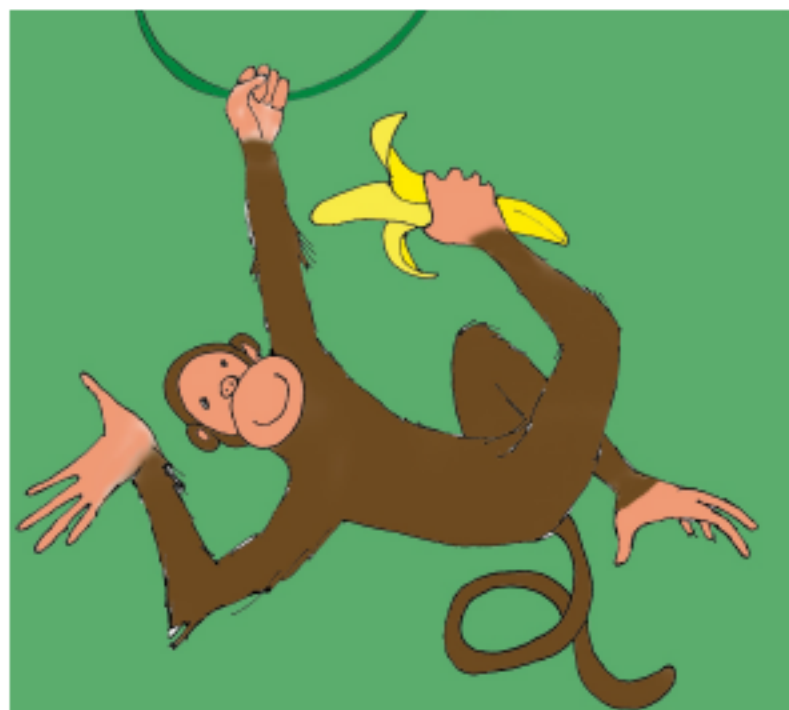

Hands can be young  
Hands can be old

Hands are just hands

and never are feet

Except for a monkey now isn't that neat?
