

Launching 5 New Courses!

ROSEDALE

A C A D E M Y

We are happy to ring in the New Year with 5 brand new courses!
Keep reading to find out more about the grade 10 and 12 courses we
will be offering:

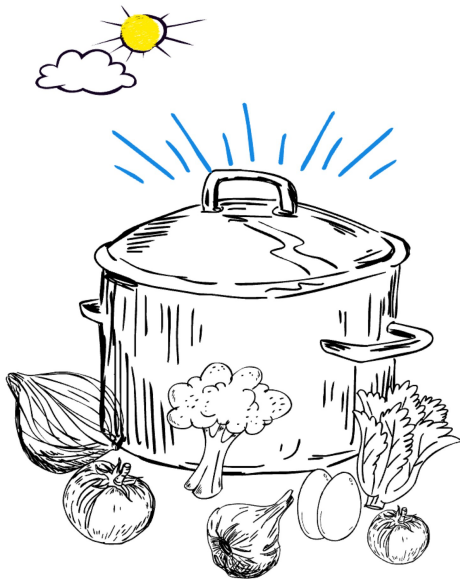

#1 - Nutrition and Health, Grade 12 [HFA 4U]

“Success is the sum of small efforts, repeated day-in and day-out.” - Robert Collier

To be healthy and fit, we must set good habits to live by day after day. It is something that should happen gradually, embracing small changes and lifelong goals. Thus, it becomes important to know how our own food intake influences our present and future nutritional well-being. It is time we prepare students to take charge of their physical and mental health without restriction and regret.

HFA4U IS ABOUT FULLY
EXPLORING THE CONCEPT OF
NUTRITION AND HEALTH,
FROM TINY NUTRIENTS TO BIG
WORLD ISSUES, AND
EVERYTHING IN BETWEEN.

#2 - Canadian and International Politics, Grade 12 [CPW 4U]

Politics plays an important role in every country in the world, whether it be federal, democratic, communist or republic. It's through politics that many important questions are answered, and global challenges are addressed – including human rights, poverty, equality, and welfare. As we rapidly move towards a global society, students must understand how politics around the world shapes their life.

KEY SKILLS

POLITICAL INQUIRY

Investigating global issues & political decision making

SOURCE CRITICISM

Exploring authorial incentives and prejudice

REAL-WORLD REPORT WRITING

Communicating informed opinions to world leaders & organizations

BIAS ANALYSIS

Evaluating factors influencing global perspectives

OTHER COOL STUFF

STUDENTS TACKLE MANY POLITICAL ISSUES FACING THE WORLD TODAY:

CLIMATE CHANGE

SOCIAL GROUPS & PROTESTS

MODERN GOVERNING

ABUSE OF POWER

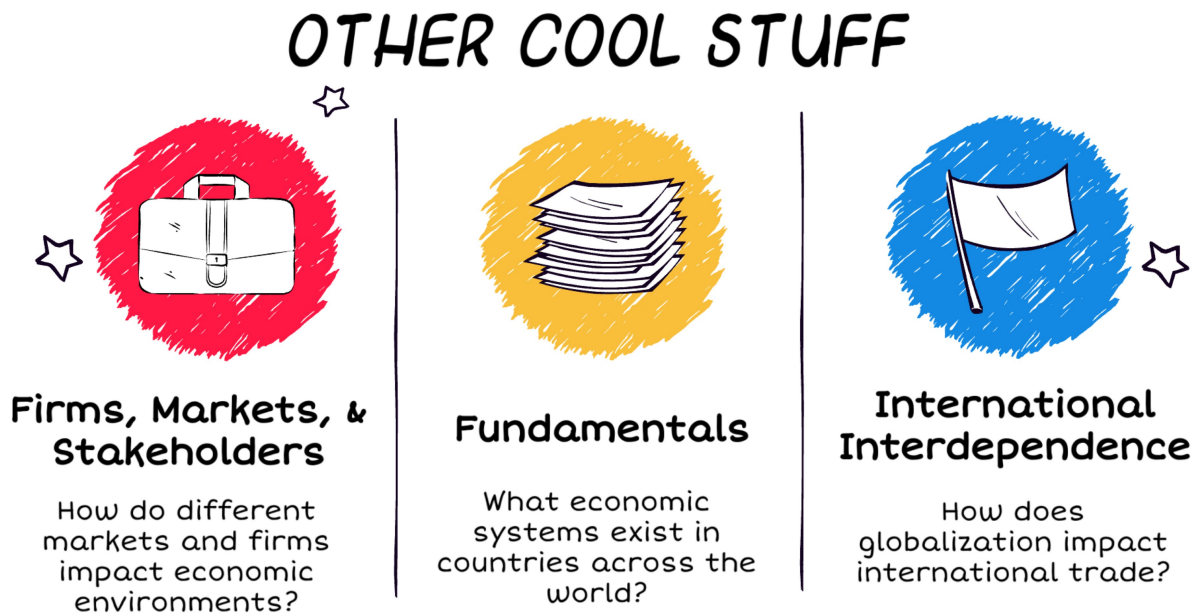

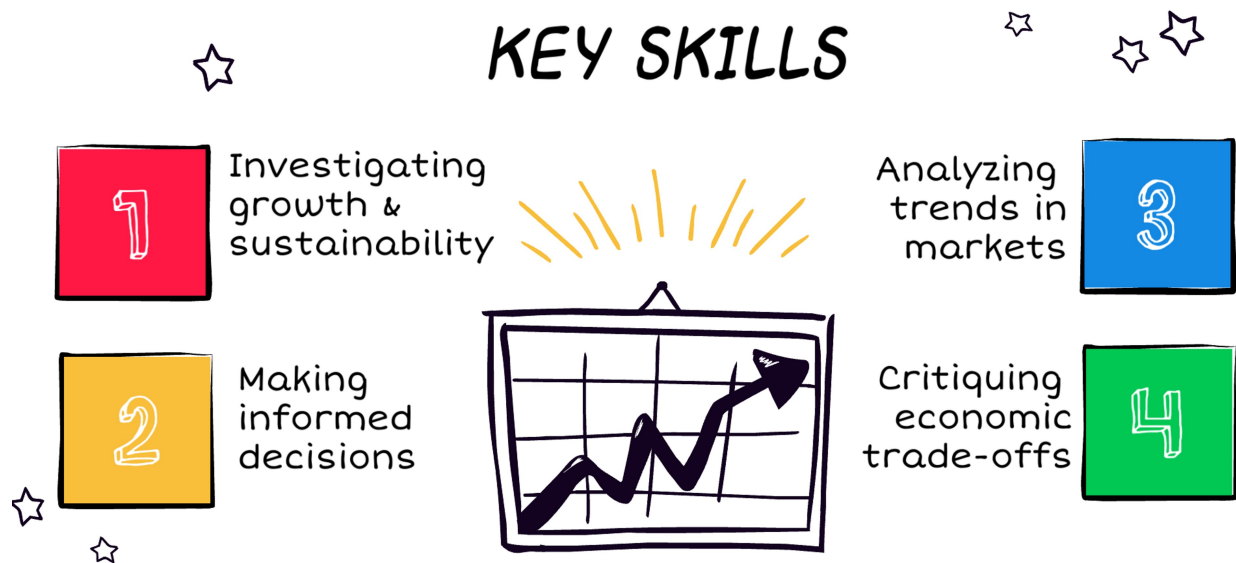

#3 - Analysing Current Economic Issues, Grade 12 [CIA 4U]

Numbers are crucial in contemporary life. They tell us how societies, governments, businesses, households and individuals allocate the world's resources. At a time of rapid technological development and climate change, students need to understand how different economic structures have global impact.

CIA4U IS ABOUT CURRENT
CANADIAN AND
INTERNATIONAL ECONOMIC
ISSUES, DEVELOPMENTS,
POLICIES, AND PRACTICES
FROM DIVERSE PERSPECTIVES

#4 - World History since the Fifteenth Century, Grade 12 [CHY 4U]

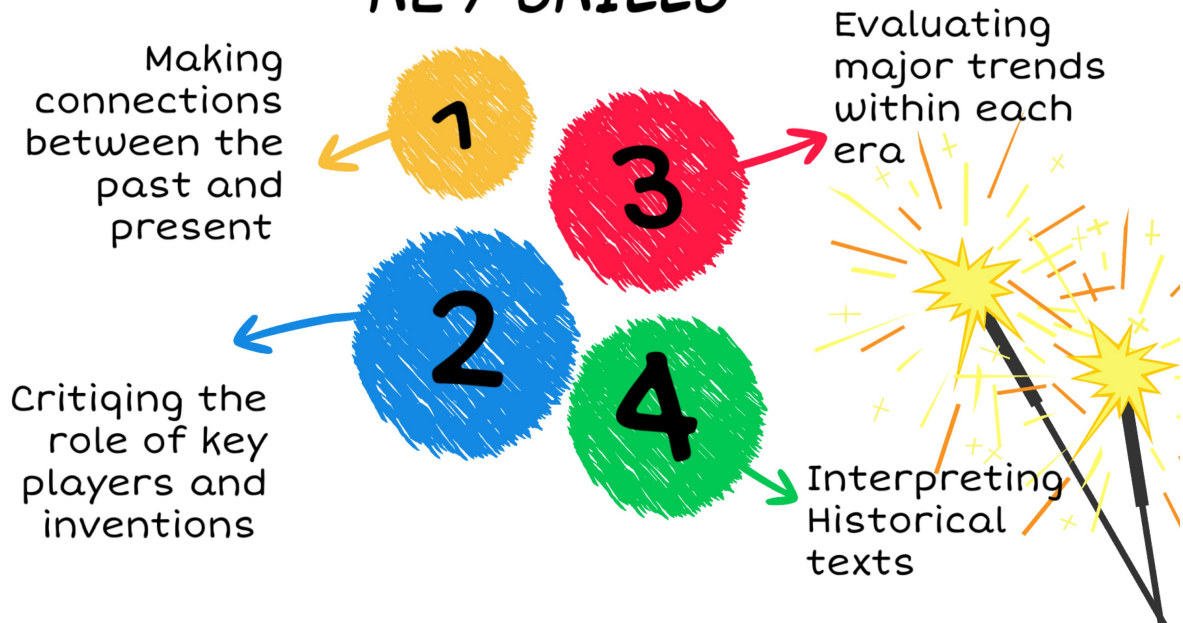

Exploring how humankind has changed since its ancestors first walked the earth is the best way to understand our present reality. If students want to know how and why our world is the way it is today, they have to look to history for answers.

CHY4U INVESTIGATES MAJOR
TRENDS IN WESTERN AND
EASTERN CIVILIZATION AND
WORLD HISTORY FROM THE 15TH
CENTURY TO THE PRESENT.

KEY SKILLS

OTHER COOL STUFF

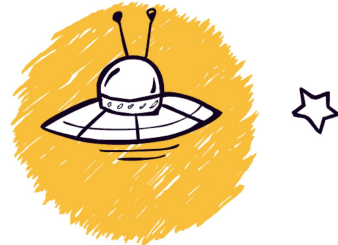

STUDENTS WILL DISCOVER THE ANSWER TO THESE QUESTIONS AND MORE:

What Ancient Civilizations rose and fell?

What triggers Political and Social Change?

What are the causes and consequences of war?

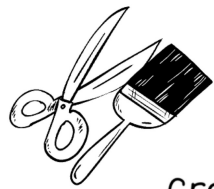

#5 - Visual Arts, Grade 10 [AVI 20]

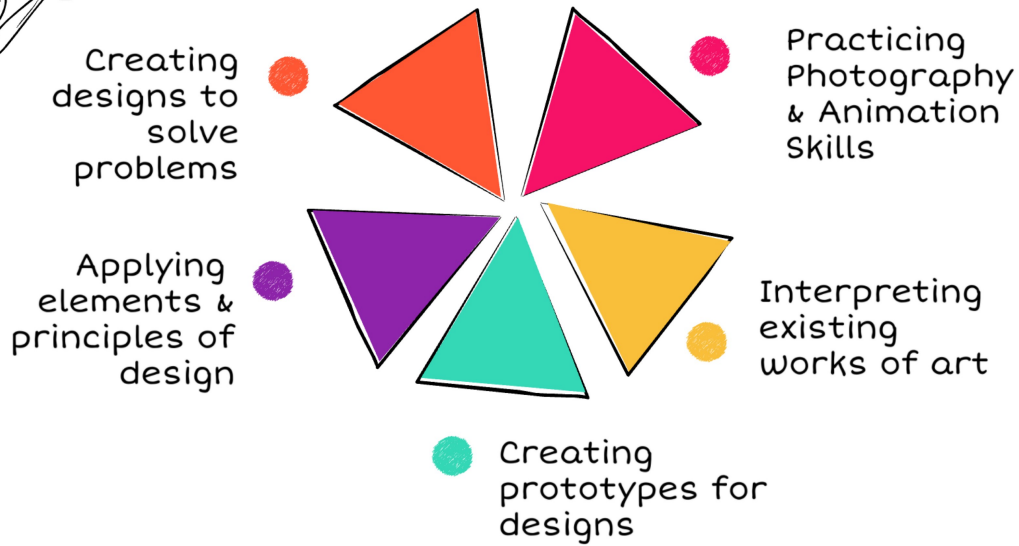

Everything from animated movies to websites are designed by artists. Rapid technological innovations have allowed a new wave of creators that are not restricted to paper. Animation, photography, and digital design are just some of the new methods students can use to express their creativity in innovative ways.

AVI20 INTRODUCES STUDENTS TO A VARIETY OF MEDIA ARTS DISCIPLINES THAT INTEGRATE IMAGINATION AND CREATIVE CHOICES TO COMMUNICATE IDEAS, OBSERVATIONS & FEELINGS.

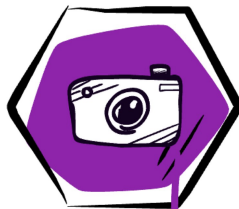

KEY SKILLS
