

Student Name: _____

Date: _____

Test: _____

IMPORTANT INSTRUCTIONS

1. Complete questions 1-12 online only.
2. Complete the following questions in the space provided below.
(Remember that you only have 1hr to complete the test, including the time it takes you to answer the questions here.)
3. If you need more space, ask your teacher for an extra sheet.
4. Do not leave any questions blank.
5. Check your answers after you complete the test.
6. Ensure you have entered a final answer or “Please see worksheet” in the online answer box for questions 13-19.
7. Submit your online answers and exit the test, then follow your teacher’s instructions to scan and upload your completed worksheet into the submission module.
