

## **Pedigrees Handout**

As you work your way through the pedigrees – tracking inheritance interactive activity, answer the following questions to help you collect the relevant information.

1.	What is one way that we can infer that a child has inherited two recessive alleles for a trait?
2.	What is a pedigree?
3.	Indicate what each of the following symbols represent on a pedigree chart.
4.	What are roman numerals and Arabic numbers used to denote on a pedigree?
5.	What is Marfan syndrome? Is the disorder expressed on a dominant or recessive allele?

SEDALE			
A D E M Y			
	6.	What is albinism? What causes it?	
	7.	What are some uses of a pedigree chart?	
	8.	In what ways are Punnett squares and pedigree charts different?
