The School & Community

Rosedale Academy is an Ontario-based private high school specializing in personalized and differentiated online learning opportunities for students worldwide since 2014. Our academic offerings are rigorous, stimulating and transformative, fostering both intellectual and personal development. Powered from Toronto (Ontario, Canada), Rosedale Academy works collaboratively with education partners so that students can stay in their home countries and receive a top-notch secondary school education. Rosedale students are based all around the world, including students from Canada, China, Ecuador, Brazil, Cameroon and Nigeria.

Instruction is fully completed in English, and all assessments are graded in Canada by Ontario teachers certified by Ontario's Ministry of Education. At the successful completion of our program, students will receive an Ontario Secondary School Diploma (OSSD) issued by Ontario's Ministry of Education. Graduates have gone on to successfully study at universities in colleges in Canada, the United States, the United Kingdom, and Australia.

Rosedale Academy adheres strictly to the guidelines set by the Ontario Ministry of Education, and the school undergoes annual inspections by independent inspectors sent by the Ministry of Education. The Ministry requires that a private school must have the following:

- Control of content of the program or courses of study;
