

The background features a stylized mountain range. The upper portion consists of several overlapping, semi-transparent green triangles of varying shades, creating a layered effect. Below this, a thick, horizontal band of bright orange with a fine, grainy texture spans the width of the image. The bottom edge of the orange band is irregular and torn, revealing a dark green area at the very bottom.

Around the World

Great, that was fun. What did we learn today?

- An overview of the unit
- A look into the country of France
- A review of “ough” words

A photograph of the Eiffel Tower at night, illuminated with golden lights. The tower is the central focus, with its iconic lattice structure clearly visible. Behind the tower, several large, bright white fireworks are exploding in the dark blue night sky, creating a festive atmosphere. The base of the tower is surrounded by a large crowd of people, whose silhouettes and some glowing smartphone screens are visible in the foreground. The overall scene is a celebration, likely Bastille Day in Paris.

Let's look at the homework now.

Do you have any questions?

Thank you for a great
class today.
As they say in France,
Au-revoir!
