FIRE TRUCKS

TRIVIA, FACTS, AND FUN

**This is a fire truck.
Fire trucks are cool.
If you want to drive a fire truck,
You should go to fireman school.**

This is one BIG TRUCK!

That's a lot of trucks! How many trucks can you count?

**Look at these two fire trucks.
They look the same, but they are different.**

**How many differences can you find?
Challenge a friend!**

What can
you see?

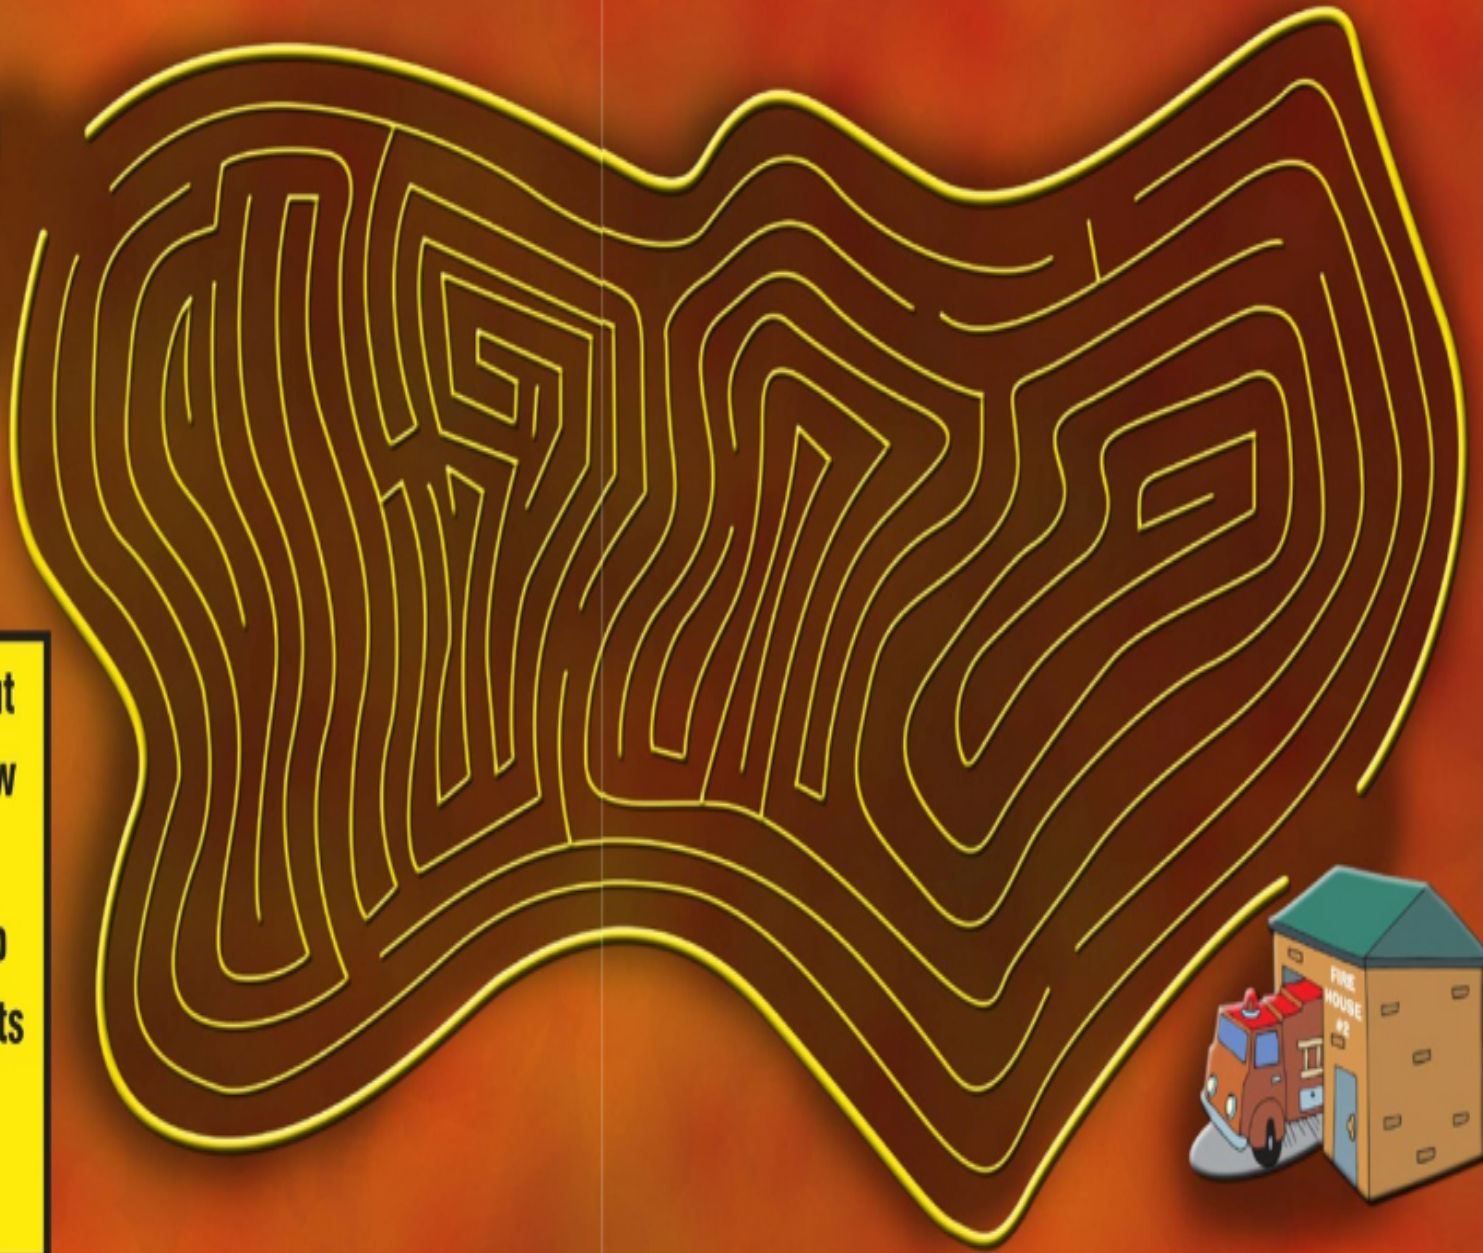

Can you tell which one of these rigs is
a pumper and which one is a ladder?

The firemen just put out the fire and now want to get back home. Can you help the fire truck find its way back to the station?

Can you count how many
firemen are fighting this fire?

That's a lot
of smoke!

DID YOU KNOW?
