Instructional Strategies

Slide 1	Introduction slide, You can introduce the topic and ask students if they have any predictions about what they think the unit will be about
Slide 2	Go through the learning goals with students and ensure that they know the vocabulary words presented? This would be a good time to review previous lessons.
Slide 3	Descriptive words, matching activity

Slide 4	Comparing and describing sentences
Slide 5-12	Read through the story book and work on connecting to descriptions. Can they think of any other words that mean hot?
Slide 14	Past, present and future tenses (what does the word tense mean?)
Slide 15	Will be vs. going to...when would you use one vs. the other?
Slide 16	Timeline to get students to understand time. Have students present events and place them on the actual timeline.
Slide 17	Reading through the present and past tenses with singular and plural
Slide 18	Future plans for summer, vacations or even the weekend.
Slide 19	Using the events on the chart have students practice stating the events in the present, past and future tense. What about plural?
Slide 20	Have students create cartoons either on paper or using online software. What will they be doing in the summer, on vacation or the weekend? Students should then share their cartoons.
Slide 21	Recap everything that you went over in class and give homework.
