This elite summer program grants students access to eight of Canada's top university campuses, immersing students in the undergraduate experience. Students will immerse themselves in undergraduate student life at the renowned University of Toronto in downtown Toronto, residing in their vibrant student residences on campus. Students will elevate their high school experience with this opportunity and learn how to enhance their Canadian university applications and achieve academic excellence in their future undergraduate degree programs.

Join campus tours, exclusive admissions meetings, and innovative university-led workshops hosted by each partner university including: [University of Toronto \(St. George, Scarborough and Mississauga campuses\)](#), [University of Waterloo](#), [McMaster University](#), [University of Western Ontario](#), [Queen's University](#), [York University](#), and [Toronto Metropolitan University](#)!

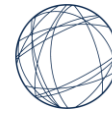

At each of the partner universities, students will participate in three components:

Admissions and Recruitment Meetings: Unlock the secrets to successful university applications with exclusive Admissions and Recruitment Meetings at some of Canada's top universities. Beyond the campus, students will explore Toronto and Niagara Falls, while engaging in an exciting social calendar with Rosedale Global High School students, teachers, and staff.
